Event title: EXCURSION - NAPLES & FORT MYERS

Event description:

Join us for a magical journey from sunny Miami to the picturesque western coast of Florida! Dive into the mysterious world of the Everglades - a kingdom of alligators and incredible nature. Experience the spirit of ancient times in a Native American village where legends and reality intertwine.

Then, we'll whisk you away to enchanting Naples, where refined architecture and cozy streets unveil the secrets of American millionaires' lives. Here, you can immerse yourself in the essence of true American relaxation, savor a cup of rich coffee, and feel the ocean breeze on one of the world's most beautiful beaches.

Up next is Florida's gem, Fort Myers. Urban landscapes, shimmering bays, bridges, promenades — and as the cherry on top — the legendary Edison and Ford museum, where history and science meld into one!

Concluding our adventure, we'll return to Miami, admiring a breathtaking sunset amidst the wild beauty of the reserve. Prepare for unforgettable impressions!
